## Unique spectrum of quality and diversity.

Hello,

Christmasworld has long been the most important international industry event for ordering, networking and inspiration. From 2023, Christmasworld will be showcasing **an unprecedented range of products** in combination with the highly successful Ambiente and Creativeworld fairs, which are taking place at the same time.

For Christmasworld visitors, this offers **outstanding synergies!** The Christmas and Seasonal Decoration product group will be positioned adjacent to the Giving and Living sections at Ambiente.

We look forward to your company – and an array of future-oriented insights.

The Christmasworld Team

## Start planning your visit now.

We have put together all the information you need for a successful visit to the fair, including a map of the exhibition grounds and an online exhibitor search engine that

you can use to filter the entries by exhibitor name, product group and other criteria.

## Don't miss a thing.

As soon as there is news, like the launch of the event calendar, we will let you know. This is the perfect resource to help you prepare for your visit.

The logo for Conzoom Solutions features the company name in a bold, sans-serif font. 'conzoom' is in black and 'solutions' is in white, set against a red background that has a curved, wave-like shape on the right side.

**conzoom solutions**

The practice-oriented  
online platform for retail

**Discover something new  
each time. Take a look  
now!**

Just a mouse click away: Discover trends ahead of your competitors, position yourself optimally in the market and create unique shopping experiences for your customers.

The nmedia logo consists of a stylized icon on the left, made of three overlapping curved shapes in shades of teal and dark blue, followed by the word 'nmedia' in a bold, black, sans-serif font.

**nmedia**

**Nextrade is now  
nmedia.hub.**

In future, nmedia.hub (formerly Nextrade) will link online orders from the order and content platform with the world of nmedia EDI ordering. Traders now no longer have to differentiate between two platforms and will be able to manage many of their everyday tasks even more

easily in nmedia.hub. Benefit from the additional self-service tools for handling product master data and content.
